Other News & Information

There are leaflets in the foyer giving details of our Community Day on July 5th. These are sorted into roads for delivery in the area. If you are able to help with distributing these please take a bundle(s). All help will be much appreciated.

Hope is one of the virtues that Christians can be absolutely sure of. However this does not mean, as some modern people think, that a continual looking forward to the eternal world is a form of escapism or wishful thinking, If you read history, you will find that the Christians who did most for the present world were just those who thought most of the next. It is since Christians have largely ceased to think of the future world to which they will eventually go that they have become so ineffective in the present one. Aim at heaven and you will get earth thrown in. Aim at earth and you will get neither.

Please pray for:

- Those unwell including Cealwyn Stevens, Steve Friend, Kevin Scott, Bev Jolley, David & Lorna Curtis and David Gardiner.
- This week's members for prayer: Christina Ford and Steve Friend.
- The church meetings and activities this week.
- Our country and particularly what the result of the recent Makerfield by-election will mean to the makeup and future leadership of our present government and the overall future of our nation.
- The parts of our world where there is currently war and unrest including Ukraine, Iran and Palestine. Despite the many occasions that we are told that peace deals have been agreed, nothing seems to change. But continue to pray for a lasting peace and reconciliation between all the warring nations and an end to the killing and suffering for so many people in the countries affected and beyond.
