Please remember in your prayers:

- Those unwell including Cealwyn Stevens, Steve Friend, Kevin Scott, Bev Jolley, David & Lorna Curtis and David Gardiner.
- Phil Warner as he leads the service at Leighton Road Evangelical Church, Ipswich on Sunday.
- All of those from Whitton Baptist who are away or having a break during this holiday period, that the Lord will bless them with a time of refreshment and rest.
- The UK, especially Suffolk, and all those countries in our world that have been devastated by wildfires that are burning out of control and causing the loss of acres of natural habitat and many people's homes. Thank God for the bravery of those who risk their lives fighting the fires and for the many acts of kindness shown by members of the local communities to those who are the victims.

Our world today puts great emphasis on developing the body and the mind. And while these are important, it is also absolutely essential that we remember we have a soul and a spirit that needs attention and care too. We must constantly remind ourselves that we are not here by chance or by accident; God put us on this journey called life. We came from Him, and our greatest joy will come from giving ourselves back to Him and learning to walk with Him every day until we return to Him.
