Please remember in your prayers:

- Those unwell including Cealwyn Stevens, Steve Friend, Kevin Scott, Bev Jolley, David & Lorna Curtis and David Gardiner.
- All of those from Whitton Baptist who will have holidays and a break from routine during August that the Lord will bless them with a time of refreshment and rest.
- Those parts of the world where Christians are persecuted for their faith and many have to read the Bible and worship in secret for fear of imprisonment or even death.
- The UK, especially Suffolk, and all those countries in our world where wild fires are burning out of control forcing many thousands of people to be evacuated from their homes that in many cases are being destroyed by fire. Pray especially for those who have members of their family who have lost their lives and also those fighting the fires.

Some Christians believe that the way for the Church to make the world a better place is to become more like it. But whenever the Church does this, it ends up compromising its spiritual authority and losing its influence. So instead of changing the world, the world changes the Church.
